

# MAWP Rental Heater—Electric

5009 Murray Rd | Manhattan | KS | 66503

Our rental heaters are designed for temporary construction site heating, but can also be temporarily ducted or connected to existing ductwork in some cases. These heaters have electric heat strips so they don't require flues or gas piping.

- 5 to 25 KW Heat Strips Available (17–85 MBH)
- Quick Set-Up
- No Gas Piping or Flue Piping
